Re: Oklahoma Stroke and Neurological Institute @Hillcrest

Dear Board Members,

We wanted to make you aware that Oklahoma Stroke and Neurological Institute @ Hillcrest meets the criteria established by the Medical Control Board as a Level I Stroke Hospital. We are respectfully requesting that the Medical Control Board consider moving our status to Level I Stroke Hospital based on our providing the services listed below as outlined in PROTOCOL 17A Destination Determination – Adult Stroke Patients (attached):

- Physician/Nursing Staff trained in neurologic care on-site 24 hours a day
- Organized Emergency Department with written pathway for rapid identification and management of acute stroke patient
- CT of the head with technician on-site 24 hours a day
- Clinical Laboratory Services
- 24/7 Stroke Call
 - Capabilities for IV/tPA therapy for eligible patients
- 24/7 Endovascular Call
 - Capabilities for endovascular therapy for eligible patients
- 24/7 Neurosurgery Call or availability within 2 hours
- Neuro Intensive Care Unit
- Stroke Registry and Quality Improvement Process

If you have any questions, please contact us at 918-579-7133.

Respectfully,
