A Double Dose of Education Education – The Osterholm Update

Admittedly showing my bias, though I'm careful to heavily weigh it in responsibly vetting information about the SARS-CoV-2 pandemic, what's better than an episode of The Osterholm Update? TWO Osterholm Updates!! I've saved this Update to include Parts 1 and 2 of Dr. Michael Osterholm's insights regarding what is on so many of our minds as July marches on: what is going to happen (and is it what should happen????) with our educational systems in the next few weeks? What does it mean for kids....and parents (aka YOU)?

Listen in to The Osterholm Update Episode 16, Reopening Schools Part 1 at: <https://www.cidrap.umn.edu/covid-19/podcasts-webinars/episode-16> (released at CIDRAP on 16 JUL)

AND Episode 17, Reopening Schools Part 2 at: <https://www.cidrap.umn.edu/covid-19/podcasts-webinars/episode-17> (released at CIDRAP on 23 JUL).

The Osterholm Update is also available on Spotify, Apple Podcasts, or Google Play.

A Gift from Dallas Fire Rescue

And now, the best at present for the last of Update 35. I share with you what was shared with me from our sisters and brothers at Dallas Fire Rescue: <https://www.youtube.com/watch?v=OfcNO-UA748&feature=youtu.be>

I'm fighting the urge to share more in Update 35, though the items above are nearly 2 ½ hours of content. Let's continue our journey in discovery and understanding in manageable bites at a time. Therefore, Update 36 should follow by week's end.

Vigilance. Safety. Evidence-Based Service to Others.

Let's be careful out there.
