

OMD Operational Administrative Policy Chief Medical Officer/Medical Director Continuity Plan

Approved 3/10/21, Effective 3/10/21, New policy issuance

In the event of a temporary or permanent lapse in the capacity of the Chief Medical Officer (also referred to as the “Medical Director” in terminology used in State of Oklahoma EMS Regulations promulgated and/or utilized by the Oklahoma State Department of Health) to fulfill usual and customary duties and authorities, the following contingency prioritization will be used for “Acting Chief Medical Officer” (“Acting Medical Director”) until such time as either the Chief Medical Officer resumes usual and customary work duties and authorities or a successor Chief Medical Officer is designated via hire by the Medical Control Board:

Associate Chief Medical Officer (Associate Medical Director) – Seniority via OMD Years
Assistant Chief Medical Officer (Assistant Chief Medical Officer) – Seniority via OMD Years
Chair of the Medical Control Board
Vice-Chair of the Medical Control Board
Secretary/Treasurer of the Medical Control Board
Member of the Medical Control Board – Seniority via MCB Years

If seniority in the above hierarchy is the same, alphabetical order shall be the tiebreaker.
